☐ Other — type your own

05 What's your biggest challenge in career planning right now?

What's actually getting in the way.

☐ I don't know my own strengths

☐ Family or peer pressure

☐ Too many options, hard to choose

☐ Lack of proper guidance

☐ Financial constraints

☐ Other — type your own

06 How would you rate your own understanding of AI (Artificial Intelligence)?

Be honest — this helps us pitch things at the right level.

- ☐ I don't really know what AI is
- ☐ I've heard of it but never used it
- ☐ I use AI tools sometimes (like ChatGPT)
- ☐ I use AI tools regularly for study/work
- ☐ I actively learn about how AI works
- ☐ Other — type your own

07 Do you think AI will change the career field you're interested in?

Your honest read on where things are headed.

- ☐ Yes, a lot — it'll transform the field
- ☐ Yes, but only some parts of the job
- ☐ Not sure / never thought about it
- ☐ Probably not much
- ☐ No, my field is untouched by AI
- ☐ Other — type your own

08 Have you tried building any AI-related skill so far?

Anything from prompting to coding — even a little counts.

- ☐ Prompting / using AI tools well
- ☐ Basic coding or no-code AI tools
- ☐ Data or analytics skills
- ☐ None yet, but I want to learn

☐ Not interested in this area

☐ Other — type your own

P ABOUT YOU, PERSONALLY

Who you are outside of grades

Seven quick ones about your personality, habits, how you spend your time, and your relationship with AI.

☐ Take time alone to reflect

☐ Physical activity or exercise

☐ Stay busy and push through

☐ Still working this one out

☐ Other — type your own

05 What's something you're proud of, outside academics?

A moment, skill or role that mattered to you.

- ☐ A skill I taught myself
- ☐ A leadership role I held
- ☐ Community or volunteer work
- ☐ A creative project I made
- ☐ A personal habit I built
- ☐ Other — type your own

06 How do you use AI tools in your everyday life, if at all?

Think beyond study — chatting, entertainment, planning, etc.

- ☐ Homework or study help
- ☐ Just for fun / curiosity / chatting
- ☐ Planning, organizing or productivity
- ☐ I don't use AI tools personally
- ☐ I actively explore new AI tools
- ☐ Other — type your own

07 How curious are you to learn more about AI going forward?

Your appetite for going deeper into this space.

- ☐ Very curious — want to master it
- ☐ Somewhat interested, if it's useful
- ☐ Neutral — will learn if required
- ☐ Not particularly interested

☐ A bit intimidated by it

☐ Other — type your own
